

**Inspiring Science, Technology, Engineering & Math**

Charleston, South Carolina ~ October 15, 2022

Arthur W. Christopher Community Center

# 2022 SPONSORSHIP OPPORTUNITIES

# Sponsorship Commitment Form

Dear Potential Sponsor,

Thank you for your interest in partnering with the National Society of Black Engineers Charleston Professionals by sponsoring Stemaploozza (NSBE).

**Stemaploozza's goal is to encourage Lowcountry K-12 students of color to be future Science, Technology, Engineering, and Mathematics (STEM) professionals. Stemaploozza is NSBE Charleston's event to further the mission of NSBE, which is "to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally, and positively impact the community."**

The NSBE Charleston Professionals strives to provide a top-rated event that the entire family can enjoy **FREE** of charge. In order to accomplish this goal, NSBE Charleston Professionals welcomes sponsorships to help offset Stemaploozza expenses. Additionally, as a sponsor, you are demonstrating positive corporate citizenship and greater visibility for your company within the community.

Thank you for considering this invitation to become a sponsor and significantly impact our community. Enclosed you will find the sponsorship opportunities below, which outline the various Business Sponsorship opportunities. If you have any questions or sponsorship ideas/suggestions, don't hesitate to contact Edward Copes at [programs@nsbecharleston.org](mailto:programs@nsbecharleston.org).

We look forward to having you as a sponsor!

Your Community Partners,

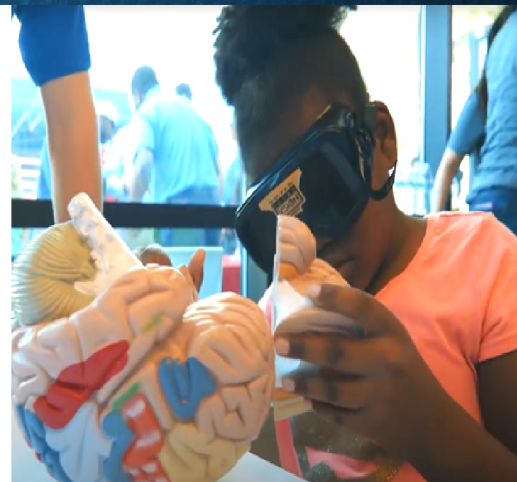

Byron Wright | President  
NSBE Charleston Professionals

Bobby Teachey II | Vice President  
NSBE Charleston Professionals

Edward Copes | Programs Chair  
NSBE Charleston Professionals
